STATED COMMUNICATIONS

FIRST THURSDAY OF EACH MONTH

FROM THE SENIOR WARDEN

The Rite of Destitution:*

This rite has several symbolic meanings. First it reminds us that our Fraternity may have ancient roots for older initiations would divest initiates of all metals believing that planets had affinity for certain metals. In order to prevent planetary influences from affecting the initiation all metal left behind. In Freemasonry the initiate is divested of all metal and minerals to prevent the bringing of anything into the Lodge which could destroy peace and harmony. It also reminds the candidate to leave all his passions and prejudices outside the Lodge. Finally, it serves to remind the candidate to relieve another Brother who may be destitute or in distress.

FROM THE JUNIOR WARDEN

From the South:

I am quickly learning that South is more like the pillar of work than the pillar of beauty. Although it has been hard work so far I have enjoyed every step of the way. We have a busy schedule for the next couple months and I am calling on all of you to be more active in our Fraternity.

Brothers, your lodge needs you. With the Summer approaching, time with family is important. We are trying to make our Lodge more socially friendly for all to enjoy. Also, if you or your family have an event that you would like to host at the lodge please don't hesitate to speak to me or any of the officers.

FROM THE EAST

Greetings from the East.

My Brothers,

It's been a real busy couple of months for West Broward. In April we participated in the Pines Day Parade. I want to thank Worshipful Bill Barlow for organizing our participation, and all the Brothers who came out, not only from West Broward but from around the District. It was a great day of fellowship and it was great to see the Brothers who brought their kids that rode in the float decorated By Worshipful Slack, Mrs.Slack and Brother Simone. Thanks to our Junior Warden Bro. Reboredo for providing the snacks and water. Since I last wrote you we passed 5 Brother to Fellowcraft initiated a new brother and are having a great deal of interest in our Great Fraternity, it looks like we are going to have a busy summer. On May 6 at our stated meeting, we had our home coming for RW:. James Park his last visit as DDGM of 33rd Masonic District. It was a great turnout and the evening was a huge success. Hope to see you all at the next meeting.

Fraternally
